

The 43rd CLTAC Chinese Mandarin Speech Contest (2018)

Official Rules of Speech Contest and Registration

1. The 43rd CLTAC Chinese Mandarin Speech Contest (2018) (speech contest, hence after) will be held at Lowell High School in San Francisco on Saturday, April 28th, 2018. The registration deadline is Saturday, March 31st, 2018. Complete information on the speech contest can be found on the CLTAC website at <http://www.cltac.org/speech-contest.html>.
2. The contestant must be a student currently enrolled in a Mandarin Chinese program during the 2017-2018 academic year at an elementary school, a middle/senior high school, a community college, or a university that is fully accredited by the Western Association of Schools and Colleges (WASC), or is a member of the National Association of Independent Schools (NAIS).
3. To ensure fairness, each contestant should register for a specific category based on his or her linguistic background and Chinese learning experience, and must agree to participate in the assigned division and category defined in the Appendix. The CLTAC Mandarin Speech Contest Organizing Committee (Organizing Committee, hence after) reserves the right to combine categories where there are fewer than five contestants in each category.
4. In order to maintain the high quality of the speech contest and to keep its size manageable, the Organizing Committee recommends that each participating school hold a preliminary contest within the school/class and choose no more than five students per category per class to participate in the speech contest.
5. Each contestant should compose his/her own speech. The Organizing Committee reserves the right to disqualify contestants with identical speeches. Contestants should memorize the speech. Points will be deducted for reading.
6. Contestants deliver their speech within a period of time. Speeches should be about **2-3** minutes for Elementary School and Middle School Divisions, **3-4** minutes for High School Divisions, and **4-5** minutes for College Divisions. Points will be deducted if the speech is either too short or too long for their grade levels, as determined by the judges.
7. The contestant may speak on any appropriate topic commensurate with his/her level of training. Sample topics include: Learning Mandarin, Family Life, Favorite Sports, A School Event, and Travel to China/Taiwan/Hong Kong, etc. The purpose

of the speech contest is to foster good language skills. Emphasis is placed on accuracy in pronunciation and tones, fluency, delivery, cadence, as well as content. Props cannot be used.

8. The contestants register through their instructors, who must be active members in good standing of the Chinese Language Teachers Association of California (CLTAC) in the current calendar year. CLTAC needs to receive the instructor's annual membership dues (\$20.00) before the registration deadline in order to register the contestants for the speech contest. In addition, it is the responsibility of the instructor to place each of his/her students in the most appropriate category commensurate with the student's language background and training. The Organizing Committee reserves the right to disqualify a contestant who provides inaccurate background and training information.

9. Registration Process:

- 1) The registration fee is \$15 per contestant. We ask each instructor to collect the registration fees for all the student contestants in his/her classes, and make out one check payable to "CLTAC".
